

Welcome to the Driftwood Cabana Club. This handbook includes our membership guidelines, guest policy, facility rules, parking policy and other pertinent information. It will enable you and your guests to take full advantage of everything the club has to offer while having an enjoyable and safe summer experience.

We ask that you read the handbook thoroughly and become familiar with our rules and regulations. Failure to comply with these guidelines can result in loss of club privileges. Habitual non-compliance may result in revocation of club membership. Our guidelines have been formulated to comply with local, state and federal regulations.

Once again, we welcome you and urge you to feel free to contact the management if clarification on any points are necessary.
